

Tester 1

Total Play time: 20min

The player managed to complete all 3 levels from point A to B.

Liked:

- Each level has unique theme with background music according to that theme.
- The controls positions are great
- It is a complicated puzzle which gets more complicated when proceeding to the next level. Due to that it gets more immersive.

Disliked:

- When the energy is used the timer should reset so it won't waste the energy used.
- In certain areas the platforms weren't placed right.
- In some levels the timer couldn't be seen clearly. A background for the timer should be added.
- In some levels the character is a little bit bright.
- Points should be added to the game, so the players will play faster to reach the goal in less time.
- In certain areas the player gets stuck in obstacles.
